

SPRING GREEN MARKET

MILLER NATURE PRESERVE

Sat., May 17

10:00 am - 4:00 pm

Miller Nature Preserve
2739 Center Road, Avon

Free to attend!

Join us for the inaugural Spring Green Market at Miller Nature Preserve—an outdoor shopping and educational experience in a beautiful garden setting!

Grow & Give Back

Select from a variety of second-season native plants, sold in large trade-gallon pots, to enhance your yard while benefiting pollinators and biodiversity. Proceeds support the Citizens Committee for Lorain County Metro Parks.

Shop Local & Eco-Friendly

Browse a curated selection of nature-inspired, mindfully handmade products from local vendors.

Engage & Explore

Connect with local experts through interactive demonstrations on sustainable practices, and enjoy hands-on activities designed for kids.

Savor Sustainable Bites

The Orchid Café will be open for lunch, offering delicious food, wine samples from local vineyards, and insights on composting kitchen scraps and eco-friendly food service products.

To promote sustainability, we encourage carpooling due to limited parking. Guests are also encouraged to bring reusable shopping bags. Celebrate nature, support local businesses, and take home a little piece of spring!
